6. System Update, Communications, and Calendar

a. Staff updates –

Senior Transportation Planner Cindy Imbach presented an overview on the following charts. Imbach mentioned that Sage Stage has reduced the Redding route to one day per week which will be affecting the operations and revenue reports. She noted, however, that we offered free rides in June for the Children’s Fair and the June Jamboree which also affected these numbers. Director Pedersen mentioned that revenue and ridership have been reduced since we no longer have a contract with Plumas Bank. It was also reported that the acquisition of a credit card machine seems to have increased our revenues and ridership.

Imbach mentioned that Sage Stage will be supporting the Last Frontier Health District Health Fair on Wednesday, August 9, offering free rides all day long for anybody traveling anywhere, which will incorporate customer appreciation into the service. The recent acquisition of the LCTOP grant allows us to use our Dial-a-Ride 2 service (Dial-a-Ride backup) five days a week with a full time driver. Sage Stage is also using the increased driver coverage to accommodate the Farmer’s Market throughout the summer on the second and fourth Wednesdays of each month until 6 p.m.
