

# SAGE STAGE

**ALTURAS LOCAL BUS SERVICE (530) 233-3883**

**Sage Stage has temporarily suspended the intercity services to Klamath Falls, OR, Redding, CA and Reno, NV.**

**The suspension is effective March 23, 2020 for an unknown amount of time. This measure is being taken in an effort to protect our drivers from exposure to the COVID-19 virus and to protect Modoc from potential exposure related to out of county travelers.**

Passenger services for our local bus service have also been suspended. The local bus service was modified March 24, 2020.

We will serve the community by delivering groceries and prescriptions. Sage stage is not charging a delivery fee. We have worked with our local businesses to set the service up. Each partner store is going to have their own process, and if you are interested in a delivery, please contact them to

place your order. Our partners are 4-Corners Market, Grocery Outlet, Holiday Market, Last Frontier Pharmacy and Rite Aid.

Sage Stage is committed to providing service to you during this time.

Please call our office at 530-233-6410 or visit our website at [sage-stage.com](http://sage-stage.com) for the areas served by our delivery service which is a 10-mile radius from Alturas.
